2	Renewal of mobile attendance system	M/s Brainware Infosoft LLP, Bhopal	NHDC/1Q/216/21/WO/783 Dt: 30.06.2021	42480.00	The mobile software application is being used for punching the attendance of the employees from the last one year. The software is working satisfactory and the employees are well acquainted with software application so further training is not required for running the existing software application and also software is fulfilling the requirement of HR Division. In addition to this, migrating from existing system to any other such type of system will take lots of efforts i.e. customization shall be done as per requirement of NHDC to stabilize the system every time and this may lead operational difficulty for the employees to carryout hassle free operation. Hence for better smooth functioning of the work, the licence subscription of mobile software application is renewed.
